

Checklist of the Orthopteroid Insects of British Columbia (* = alien, †= adventive, not established)

Prepared by G.G.E. Scudder with additions by Rob Cannings (2007)

Order BLATTODEA

Family BLATTIDAE

- Blatta orientalis* Linnaeus *
- Periplaneta americana* (Linnaeus) *
- P. australasiae* (Fabricius) *
- P. fuliginosa* (Audinet-Serville) †

Family NAUPHOETIDAE

- Panchlora nivea* (Linnaeus) †
- P. latipennis* (Saussure & Zehntner) †
- Pycnoscelus surinamensis* (Linnaeus) *

Family EPILAMPTRIDAE

- Epilampra maya maya* Rehn †
- Nauclidas nigra* (Bruner von Wallenwyl)

Family NYCTIBORIDAE

- Nyctibora noctivaga* Rehn †

Family BLATTELLIDAE

- Blattella germanica* (Linnaeus) *
- Neoblattella* sp. †
- Supella longipalpa* (Fabricius) *

Order ISOPTERA

Family TERMOPSIDAE

- Zootermopsis angusticollis* (Hagen)
- Z. nevadensis* (Hagen)

Family KALOTERMITIDAE

- Cryptotermes brevis* (F. Walker) *

Family RHINOTERMITIDAE

- Reticulitermes hesperus* Banks

Order MANTODEA

Family MANTIDAE

- Litaneutria minor* (Scudder)
- Mantis religiosa* (Linnaeus) *

Order GRYLLOBLATTODEA

Family GRYLLOBLATTIDAE

- Grylloblatta campodeiformis campodeiformis* E. Walker
- G. campodeiformis athapaska* Kamp
- G. campodeiformis nahanni* Kamp
- G. scudderri* Kamp

Order DERMPATERA

Family ANISOLABIDIDAE

- Anisolabis maritima* (Bonelli) *
- Euborellia annulipes* (Lucas) *

Family FORFICULIDAE

- Forficula auricularia* Linnaeus *

Family SPONGIPHORIDAE

- Labia minor* (Linnaeus) *

Order ORTHOPTERA

Suborder ENSIFERA

Family STENOPELMATIDAE

- Stenopelmatus fuscus* Haldeman
- S. longispina* Brunner von Wattenwyl

Family RHAPHIDOPHORIDAE

- Ceuthophilus agassizii* (Scudder)
- C. alpinus* Scudder
- C. vincinus* Hubbell
- Pristoceuthophilus celatus* (Scudder)
- P. cercalis* Caudell
- P. pacificus* (Thomas)
- Tropidischia xanthostoma* (Scudder)

Family PROPHALANGOPSIDAE

- Cyphoderris buckelli* Hebard
- C. montrosus* Uhler

Family PHANEROPTERIDAE

- Microcentrum rhombifolium* (Saussure) †
- Phaneroptera gracilis gracilis* Burmeister †
- Scudderia furcata furcata* Brunner von Wattenwyl
- S. pistillata* Brunner von Wattenwyl

Family TETTIGONIIDAE

- Anabrus cerciata* Rehn & Hebard
- A. longipes* Caudell

A. simplex Haldeman
A. spokan Rehn & Hebard ?
Apote robusta Caudell
Neduba steindachneri (Hermann)
Peranabrus scabricollis (Thomas)
Sphagniana sphagnorum (F. Walker)
Steiroxys sp.

Family CONOCEPHALIDAE

Conocephalus fasciatus (DeGeer)
Neoconocephalus triops (Linnaeus) †
Pseudorhynchus concisus (F. Walker) †

Family MECONEMATIDAE

Meconema thalassinum (De Geer)*

Family GRYLLOTALPIDAE

Scapteriscus vicinus Scudder †

Family GRYLLIDAE

Allonemobius allardi (Alexander & Thomas)
A. fasciatus (DeGeer)
Gryllus pennsylvanicus Burmeister
G. veletis (Alexander & Bigelow)

Family MYRMECOPHILIDAE

Myrmecophilus oregonensis Bruner

Family OECANTHIDAE

Oecanthus argentinus Saussure
O. californicus Saussure
O. fultoni T.J. Walker
O. nigricornis F. Walker
O. quadripunctatus Beutenmüller
O. rileyi Baker

Suborder CAELIFERA

Family ACRIDIDAE

Subfamily GOMPHOCERINAE
Aeropedellus clavatus (Thomas)
Agenotettix deorum (Scudder)
Aulocara elliotti (Thomas)
Bruneria brunnea (Thomas)
Chloealtis abdominalis (Thomas)
C. conspersa Harris
Chorthippus curtipennis curtipennis (Harris)

Orphulella pelidna desereta Scudder
Pseudopomala brachyptera (Scudder)
Psoloessa delicatula buckelli Rehn

Subfamily LOCUSTINAE (=OEDIPODINAE)

Arphia conspersa Scudder
A. pseudonietana pseudonietana (Thomas)
Camnula pellucida (Scudder)
Chortophaga viridifasciata (DeGeer)
Circotettix carolianus (Thomas)
C. rabula rabula Rehn & Hebard
C. undulatus undulatus (Thomas)
Conozoa sulcifrons (Scudder)
C. texana (Bruner)
Cratypedes lateritius (Saussure)
C. neglectus (Thomas)
Dissosteira carolina (Linnaeus)
D. pictipennis Bruner †
D. spurcata Saussure †
Metator nevadensis (Bruner)
Pardalophora apiculata (Harris)
Spharagemon campestris (McNeill)
S. collare (Scudder)
S. equale (Say)
Stethophyma gracile (Scudder)
S. lineatum (Scudder)
Trachyrhachys kiowa (Thomas)
Trimerotropis cincta (Thomas)
T. diversellus Hebard
T. fontana Thomas
T. gracilis (Thomas)
T. koebeli (Bruner)
T. pallidipennis (Burmeister)
T. pistrinaria Saussure
T. sparsa (Thomas)
T. suffusa Scudder
T. verruculata (Kirby)
Xanthippus aquilonius Otte
X. buckelli Hebard

Subfamily MELANOPLINAE

Asemoplus montanus (Bruner)
Bradynotes obesa (Thomas)
Buckellacris chilcotinae chilcotinae (Hebard)
B. hispida (Bruner)
B. nuda nuda (E.M. Walker)

Hesperotettix viridis pratensis Scudder
Melanoplus alpinus Scudder
M. bivittatus (Say)
M. borealis borealis (Fieber)
M. bruneri Scudder
M. cinereus cinereus Scudder
M. confusus Scudder
M. dawsoni Scudder
M. fasicatus (F. Walker)
M. femurrubrum femurrubrum (DeGeer)
M. foedus foedus Scudder
M. huroni Blatchley
M. infantilis Scudder
M. kennicottii kennicottii Scudder
M. montanus (Thomas)
M. n.sp. near montanus (Thomas)
M. occidentalis occidentalis (Thomas)
M. oregonensis oregonensis (Thomas)
M. oregonensis triangularis Hebard
M. packardii packardii Scudder
M. ruggelesi Gurney
M. sanquinipes (Fabricius)
M. washingtonius (Bruner)
Phoetaliotes nebrascensis (Thomas)

Family TETRIGIDAE

Tetrix brunneri (Bolivar)
T. ornata occidua Rehn & Grant
T. ornata ornata (Say)
T. subulata (Linnaeus)
