

# ITEX Workshop 2007

Falls Creek, Victoria, Australia  
2–6 February

Hosted by  
Research Centre for Applied Alpine Ecology, La Trobe University

## FIRST NOTICE

**Call for expressions of interest from scientists involved in ITEX  
or associated projects**

### Location

Falls Creek Alpine Resort

- 380 km north-east of Melbourne
- 5 km from the Bogong High Plains, site of the Australian ITEX project.

### Accommodation

Choice of

- shared bedroom at ski lodge
- single room at 4-star lodge

### Costs

Costs are in Australian dollars and include conference fee, accommodation, and all meals:

- with five nights shared accommodation at ski lodge, approximately A\$500
- with five nights single accommodation at 4-star lodge, approximately A\$950

### Program

The workshop will begin on Friday evening 2 February and the formal sessions will end on Monday evening 5 February. An optional full-day excursion to the Bogong High Plains will be on Tuesday 6 February.

The formal program includes:

- presentations
- discussion forums
- posters
- half day excursion to the local ITEX sites.

### Travel

- Overseas participants should arrive via Melbourne or Sydney International Airports. (Note that a domestic flight to Albury would be required if arriving via Sydney.)
- The Conference Committee can assist overseas participants with road transport from Melbourne or Albury to Falls Creek and return.

### Expressions of interest

- Expressions of interest to attend the workshop should be emailed to [alpine.ecology@latrobe.edu.au](mailto:alpine.ecology@latrobe.edu.au) by 31 August 2006.
- Your expression of interest should include your full name, address, country, ITEX involvement, and interest in giving an oral or poster presentation

Note that only 35 places are available.
